RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Dear Sir:

In the Notice of Non-Compliant Amendment dated June 9, 2005, Item 1C was checked indicating that "additional adding to the title must be underlined." In our response of May 27, 2005, we did not add additional wording to the title. We asked that lines 1-3 be rewritten and did underline the new section heading, i.e. BACKGROUND OF THE INVENTION, that was being added. Accordingly, this requirement is believed to be erroneous.
